

## New Year, New Beginning.

Shri Krishan Grit Co. (SKGC) heartily wishes all its valued customers a very Happy New Year.

*“Quality is not an act, it’s a habit”*

This famous quote by Aristotle sums up the mission of our company. Quality is not something that is to be delivered once. But should be delivered habitually.

**2018 was a tremendous year for SKGC.**

We managed to be an important part of:

1. **Mumbai Metro:** 5 lakh Tons, approximately 20% complete.

2. **Delhi Meerut Expressway:** Order for 30 lakh Tons, approximately 25% completed.

3. **Meerut - Bulandshahr road project:** Order for 5 lakh Tons, approximately 10% complete.
4. **Noida Metro Project** completed.

5. **High rise building projects in Mumbai.**

6. **Mumbai Port trust**

7. JNPT (Jawaharlal Nehru Port Terminal) road project.

We managed to set up:

1. **New crusher in Navi Mumbai (Uran):** Metso, 250 TPH (Tonnes per hour), 3 stage, VSI.

2. **New crusher in Patan (Kothputli), Rajasthan:** L&T - Kemco E7-60 Sand Plant with Japanese Technology.

3. A plant in Papoorna, Sanjay Nagar: 3 Stage, VSI, 300 TPH.

Other Key Highlights:

1. 40 Lakh Tons of aggregate supplied in various parts of India.

2. 1 Lakh Ton of JSW, JSPL, SAIL, and Electrosteel Steel traded.

Things to look forward in 2019:

1. **Technology driven and automation:** We are making efforts to make most transportation services automated with real time tracking and Proof of Delivery software.

2. **Quality assurance:** We will be setting up labs to ensure that all material supplied crosses the quality benchmark.

3. **New Plants:** We will be expanding this year with new Plants and projects in new cities.

We welcome you to the journey of our mutual expansion. We strive to deliver with **quality** and on **time**. **SKGC** values all its customers and wishes for even better years ahead. **Happy New Year.**

- Sanjeev Gupta (Managing Director) and SKGC Team.
